beef

recommendation

Grilled Argentine Ribeye Steak

Argentina is renowned as one of the world's leading beef-consuming countries.

Raised on vast natural pastures and free from growth hormones, Argentine beef is known for its healthy and sustainable production. Its rich, robust flavor of lean meat is perfectly balanced by the sweetness of finely marbled fat. Expertly grilled to enhance its natural aromas, the meat is tender and juicy, offering a deep and satisfying flavor with every bite.

- 🕒 **Grilled Argentine Ribeye Steak** RESERVE 8,800
